# 97-Year-Old Civil War Veteran Dies At Home

Corwith—A. A. Johnson, 97-year-old Civil war veteran, the oldest active printer in the state, died at his home here, January 8. Legionnaires conducted a military funeral the following Friday.

Born in New York, Mr. Johnson served with Wisconsin troops more than four years. He came here in 1888, operated the Corwith Crescent and had newspaper ventures in several other places.

He worked, setting type by hand, until a week before his death.
